OG-300 Application for Resize of Currently Certified System(s) | Date:

SRCC Participant Company:

By submission of this form I attest that I am an authorized agent of said company.

Name: | Title:

You may use this form if a requested new system is exactly the same as one of your existing certified systems except: collector model, # of collectors, or tank size (direct only). Modify your manual to include new model number(s) and amended parts list (collector or tank). If additional revisions to the manual are needed, then a manual review fee will apply. If information in new system is unchanged, leave it blank. Email to **apply@solar-rating.org** along with a revised copy of manual.
